PER CURIAM:

Brian Keith Keesee appeals from the district court's order affirming the bankruptcy court's order determining that two lawsuits he filed in the state court violated a prior injunction and ordering him to dismiss the state court actions with prejudice. We have reviewed the record submitted on appeal and the arguments of the parties and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Keesee v. Mitchell*, No. 7:19-cv-00134-D (E.D.N.C. Mar. 30, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
